

Counterfeiting and Piracy in the “Make in India” Environment

News & Updates • April 6, 2016

Anand and Anand in association with the Asian Coalition Against Counterfeiting and Piracy (ACACAP) organized a conference on the burning issue of “Counterfeiting and Piracy” in the “Make in India” Environment. The event was inaugurated by Justice Manmohan Singh of the Delhi High Court and comprised representatives of prominent brands both Indian and multinationals. The speakers and participants also comprised law enforcement officers (customs and police), investigators, lawyers that represent these famous brands. [Read more on Mint](#)
