

Anand and Anand excited to act as Legal Mentor to encourage young innovators

News & Updates • September 19, 2016

In a recent conference organised by CLEducate, involving around 200 universities, Anand and Anand was invited as Legal Mentor to encourage future innovators and to incubate innovation in IP. At the conference, supported by industry leaders like Dell, Amazon, Cisco, Microsoft, IBM, 3M and Britannia, was proposed the search for about 1 million student innovations by 2020. The conference offered interactive sessions with industry experts, who projected future demands in terms of innovation.
